Specifications

Ease of use
- Suitable for these models: HealthyWhite, FlexCare, FlexCare+, DiamondClean, EasyClean, HydroClean
- Brush head system: Easy snap-on brush heads for optimal hygiene

Technical specifications
- Operating time: For optimal results, a new brush head is recommended every three months.

Highlights

Ultra-soft bristles
Ultra soft bristles at the core of the bristle field are 25% softer than our standard ProResults brush head. For a more effective, gentle clean.

Gently removes plaque
Gently removes plaque for an absolute clean and smooth feel.

Innovative new brush head
Innovative new brush head profile delivers a gentle experience while brushing sensitive teeth and gums.

Reminder bristles
Reminder bristles let you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush head every 3 months.

Snap-on brush head

Easy brush head placement and handle cleaning
